# Job Search: Diesel Mechanic

The screenshot displays the eBenefits website interface. At the top left is the eBenefits logo with the tagline 'My Gateway to Benefit Information'. To its right are the seals of the Department of Veterans Affairs and the Department of Defense, with the text 'A Service of the Department of Veterans Affairs and the Department of Defense'. On the top right, there are 'Log in' and 'Register' buttons. Below the header is a navigation bar with links: 'apply for BENEFITS', 'view my STATUS', 'access my DOCUMENTS', 'browse NAT'L RESOURCE DIRECTORY', and 'employment CENTER'. A search icon is also present.

The main content area is titled 'Job Search' and includes the instruction 'Search the Veterans Job Bank'. It features three search criteria fields: 'What (job title, keywords)' containing 'diesel mechanic', 'Where (city, state, country)' containing 'San Diego, CA', and 'Military (military job title or code)' which is empty. Below these fields are 'Search' and 'Clear Search' buttons, and a link for 'Advanced Search'.

The search results section shows 'Search results' and 'Displaying results 1 - 21 of 21 (page 1 of 1)'. A featured job is highlighted: 'Electronics Mechanic' at 'Veterans Affairs, Veterans Health Administration' in 'San Diego, CA - Job posted on 2014-06-02'. The job listing includes social media sharing icons for Facebook, Pinterest, LinkedIn, and Email, and a 'USAJOBS' logo.

A left-hand sidebar contains navigation links: 'Job Seekers', 'Tools', 'Job Search', 'Skills Translator', 'Profile & Résumé Builder', 'Resources', 'Job Seeker Resources and Services', 'View Employer Commitments', and 'Interest Profiler'.
