

# Committee Agenda

## Codes and Standards Surveillance

Date and Time: March 21, 2016 1:00-5:00 PM

Location: San Antonio, TX

Chairperson: John Svendsen

### Agenda:

Topic	Discussion	Conclusions
Welcome – John Svendsen		
Review and update of membership --Robert Simmons	Latest roster passed around. Attendees check attendance and indicate any changes	See attendee sheet. (40) in attendance (6) new members
Meeting minutes from the Fall conference in Denver. -John Svendsen	John Svendsen reviewed Mike Witkowski motioned to approve. Brad Fennell 2nd	Minutes approved unanimously
Working Group Updates		
Working Group update-Steve Sappington, UL 2200	Group met 11/20/16. Steve Sappington gave summary of group work. To add clarity to 2200, group defined enclosure – Skin tight and walk-in.	Two topics will be given to Herb to submit to the EGSA board. 1) Enclosure definition 2) Gas valve harmonization with CSA-Z2121
Standards Review: -Herb Whittall		
NFPA 70 (NEC)	Herb Whittall gave summary. See Jan/Feb Powerline Magazine article “Snapshot for 2016”.  NFPA 70 met in June	

NFPA 99, 110, 111, 70	Herb Whittall asked for volunteers from the EGSA C&SSC who participate in NFPA 99,110,111,70 to help represent EGSA positions on the standards and report back to C&SSC.	
International Code Council International Building Code. (IBC) And American Society of Civil Engineers (ASCE)	Whittall dropped membership from ICC as there was no impact EGSA could have at their meetings. Discussed that most the work actually takes place in ASCE. ASCE has a technical committee that writes the requirements for wind and seismic that affect EGSA members. Robert Simmons and John Giuliano will liaison for EGSA to the ASCE tech committee. Herb	Add ASCE as a Liaison group for EGSA members to have input
UL2200 (Stationary Generators)	See UL 2200 working group above	
UL2201 (Portable Generators)	Some discussion on latest.	No action for EGSA
IEEE 1547 Standard for Interconnecting Distributed Resources with Electric Power Systems	See Jan/Feb Powerline Magazine article "Snapshot for 2016". Herb, Marcelo Algrain and Rich Scroggins also gave summary reports. 1547 is under full revision. Scheduled to go out for ballot vote in 2017. Next meeting June 14 to 16, in Portland Or. See www.ieee.org	Important that all EGSA members stay involved and report to C&SSC so that requirements from utilities and inverter industries do not implement onerous requirements on genset industry.
IEEE 1547.1a Standard Test Procedures for Distributed Resources	No action	
IEEE 1547.2 – IEEE 1547 Standard for Interconnecting Distributed Resources with Electric Power Systems."	No action	
IEEE 1547.3 – "Draft Guide for Monitoring Information Exchange and Control of DR Interconnected with EPS"	No action	
IEEE 1547.4 – Standard for Design, Operation, and Integration of Distributed Resource Island System with Electric Power Systems."	No action	
IEEE 1547.5		

IEEE 1547.6– “Draft Recommended Practice for Interconnecting Distributed Resources with Electric Power Systems Distribution Secondary Networks.”	No action	
IEEE 1547.7	No action	
IEEE 1547.8 – Extended Use of IEEE 1547 Voltage and Frequency Ride through Requirements	No action	
ISO 8528	Steve Sappington And Herb gave brief summary	No action

ISO 8578-5 Reciprocating Internal Combustion Engines Driven Alternating Current Generator Sets – Part 5 Generator Sets.	No action	
ISO 15615 Reciprocating Internal combustion engines – Measurement procedure for exhaust silencers – Sound power level of exhaust noise and insertion loss using sound pressure level and power loss ratio	No action	
UL 1778 Uninterruptable Power Systems 2 <sup>nd</sup> Edition	No action	
<b>NEW BUSINESS</b>		
Discuss “Proposed Rules” for Distributed Generation by New York Dept. of Environmental Conservation – John Svendsen	See <a href="http://www.dec.ny.gov/regulations/104274.html">http://www.dec.ny.gov/regulations/104274.html</a>	No action

Mission statement, and objectives of the C&SS committee – John Svendsen	John Svendsen read Mission Statement and EGSA Initiatives	
NFPA 37 and 37	Make recommendation to Board for EGSA to become member	
Energy Thought Summit (ETS 16)	Herb is invited to attend as a member of the press from EGSA March 29 to 31	
Database of EGSA member organization participation	Steve Sappington volunteered to put together a database that would list the various organizations, standards, agencies that EGSA members participate to help facilitate our initiative of integrating a culture of communication	C&SSC to send an email out to all its members to have them provide a list of the organizations in which they are involved
IAEI International Association of Electrical Inspectors	Joe Pandiscio will be attending the east coast section summit in April. He volunteered to report back to our committee	
Adjourned	Mike Witkowski motioned Steve Sappington 2nd	Approved Adjourned at 3:30

## Action Items

Item	Person(s) Responsible	Deadline
