Section C. Certification

I _____ certify that all information provided on this application and all supporting documents are correct, complete and accurate.

Applicant's Signature _____ Date _____

Application Checklist

Before mailing, emailing or faxing your application, be sure that you have included the following items:

_____ **A completed and signed Grant Application**

_____ **A typed Cover Letter containing: a short narrative on your active duty experience in power generation and how the EGSA training will help you achieve your career goals**

_____ **A typed Resume**

_____ **A minimum of Two References including contact information**

_____ **If already discharged, provide a copy of your DD214 or equivalent to validate Discharge Status and Service Speciality**

_____ **If due to be discharged by December 31, 2016, provide a copy of your Military I.D.**

Applicants are reminded that adhering to the instructions is paramount; neatness and completeness is important. However, please include only the information that is requested, so that your application can be processed accurately and in a timely manner.

Sending unnecessary documents delays processing and may impact negatively on your application.

THE APPLICATION DEADLINE IS July 31, 2017!
Applications that are not electronically dated or postmarked on that date will not be considered.

 Grant@EGSA.org

The objective of the Raymond G. Russell Education Grant for Veterans program is to support our Nation's armed services veterans as they return from service, offer education in our industry and at the same time the opportunity to become engaged with our organization. This annual grant is designed to provide qualified individuals with a full ride on all costs associated with the EGSA George Rowley School of On-Site Power Generation (Basic or Advanced). Travel expenses that meet our travel policy are also included. The goal is to provide additional education, through attendance at a Rowley School, and improve the veteran's skill set to make them more attractive candidate for hiring.

Eligibility

Applicants must hold an Honorable Discharge from one of five United States Armed Services (Army, Air Force, Marines, Navy or Coast Guard) or be an Active Reservist or National Guard or be a Member of the Royal Canadian Armed Forces and have served in the Electric Power Generation Field. If presently enlisted, must be honorably discharged by December 31, 2016.

Below is a list of service specialties associated with Power Generation:

- USACE-Prime Power Production Specialist (12P)
- US Army Corps-Power Generation Equipment Repairer (91D)
- US Navy-Machinist's Mate, Electrician's Mate, Engineman
- US Marine Corp.-Military Occupational Specialties MOS 1141, MOS 1142, MOS 1169, MOS 6077 and MOS 6078
- US Coast Guard-Machinery Technician, Electrician's Mate
- US Air Force-Electrical Power Production Specialist (3EOX2)
- Canadian Armed Forces Equivalent
- Other positions that relate to the On-Site Power Industry

Required Submittal Materials Will Include the Following Documents:

- Complete the EGSA Raymond G. Russell Education Grant for Veterans Application form
- Provide a typed cover letter and resume
- Provide a minimum of two military and/or business references including contact information
- Provide a copy of DD214 or equivalent to validate discharge status and service specialty
- If presently enlisted, but due to be honorably discharged by December 31, 2016, provide a copy of your military I.D.
- Completed submissions must be postmarked or electronically dated by midnight July 31, 2017.

Notification to Recipients and Award of Grant

Applicants will be notified if they will be awarded a grant via email in late July. Each recipient will receive up to \$2,500 to cover the cost of attending a Rowley School. The registration fee for the school will be deducted and then the veteran will be reimbursed for his/her travel expenses under the EGSA travel policy.

Reimbursed travel expenses will be made after the successful completion of a Rowley School and with the submission of all receipts. Eligible expenses include coach round-trip airfare, hotel accommodations for the duration of the school and meals not included in the school registration fee.
