

International Organization for Standardization TC 70 - Activity

ISO
Committee

International ISO TC 70

End	WG	Standard	Title	Status
03 Nov	-	ISO 3046-5	Reciprocating internal combustion engines -- Performance -- Part 5: Torsional vibrations	Service Review
2019-07-19	4	ISO/DIS 3046-6	Reciprocating internal combustion engines -- Performance -- Part 6: Overspeed protection	The scope has change in the document the required IEC/ISO risk assessment, electrical and control safety standard references and ISO 12100:2010 and IEC 60204-1 added to draft.
2019-09-18	10	ISO/CD 8528-3	Reciprocating internal combustion engine driven alternating current generating sets -- Part 3: Alternating current generators for generating sets	Major changes to multiple section, to be addressed for AVR's, and control definitions for the additional controls in the systems.
